# About Us

Exit Brand Management was established in 2009. We are specialists in the import and export, marketing, distribution and communication of healthy and innovative products in Spain, under the license of some of the most relevant global brands. We study the international market, locating the products with the greatest business opportunities, and focussing our efforts to provide spanish consumers with unique and best products. Making them accessible thanks to our agreements with some of the most important [major retailers here in Spain](#).

When you partner with Exit Brand Management you're partnering with years of expertise and a dedicated team of industry-trained specialists, creative engineers and effective managers constantly on the lookout for new launches and projects around the world. Thanks to our relationships established with some of the world's major retailers.

With our proven background in customs clearance, transport, exports, imports, supply chain and marketing, we offer complete end-to-end multimode commercial launches solutions.

## Be a partner, not just a supplier

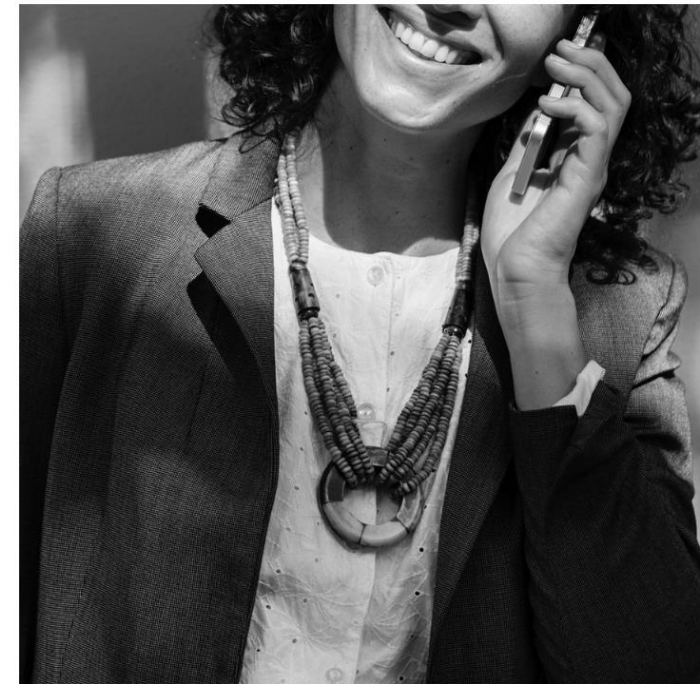

With an extensive portfolio and thorough knowledge about Spanish market, we form the link between national major retailers and international suppliers.

Our expert team of consultants here and abroad understand that every business has a different footprint in commercial and supply chain issues. That's why we develop customized plans designed for each business.

We can assist in managing every aspect of your commercial plan including sourcing products, documentation, supply chain, logistics, trade finance, freight plus warehousing, marketing and distribution.

Our first priority is to provide confidence to sell the products of our suppliers maintaining the integrity of their brand, enhancing them across multiple relationships and channels, and achieve higher profits through reduced implement costs and better marketing in a mutually beneficial relationship.

HEY YOU,

HOW IS YOUR BUSINESS GOING?

[www.exit-brand.com](http://www.exit-brand.com)

## Dealing with major retailers

Our team relies on both a profound experience in the distribution business. Over 10 years of experience in the distribution of [major retailers goods](#).

Our products can be purchased in most of the mass consumer distribution store in Spain, thanks to our experience improving Supplier Relationship Management.

Major retailers, as a result of the agreements, obtain all new products and brands exclusively from Exit Brand.

What matters is not just a good product, but also, the challenge of developing a major commercial, industrial, operation and maintenance services network, and an ambitious trade opening.

What our clients expect from us? Confidence, an innovative mind, strong influence, good communication skills, and a broad knowledge of the tools of the trade.

*If we can find out what benefits our clients are looking for, we stand a better chance of being able to sell to them. This form the basis of any sales approach we make.*
